esson 2

Elizabeth's friend, Nicole, had a party at her house while her parents were out of town. Everyone was drinking beer, including Elizabeth. At first, Elizabeth felt (1) _____. But her (2) _____ could only process a small amount of alcohol at a time. Elizabeth started to feel light-headed. Her (3) _____ had risen to (4) _____. She kept drinking alcohol. Elizabeth started to (5) _____ her speech and felt a shift in her (6) _____. Suddenly, she was very angry and started shouting at her friend. Elizabeth took out her keys and got into her car. Her friends tried to stop her, but Elizabeth sped away. A police officer pulled Elizabeth over for dangerous driving. The officer told Elizabeth she had a BAC of (7) _____ and she was legally (8) _____. Elizabeth was arrested for (9) _____, and for driving while intoxicated. Elizabeth risked her life and the lives of others. Elizabeth realized she made a mistake. She was lucky she did not suffer from (10) _____.
